

7th December 2016

1st Yass Scouts, Cubs Section

Dear Cub Parents,

Our last night in the Scout Hall with the Scouting Year coming to end for 2016. Our final night of Cubs is our End of Year Party at Big Splash Water Park on the 16th December.

Navigation Games was our journey tonight with some compass use, map reading and a treasure hunt to finish.

After Opening Parade the Cubs headed out side for a game of North, South, East and West to help with direction and just to change things up we also played the game with degrees (0, 90, 180, 270 and 360) which tripped a few Cubs up, but its great to learn.

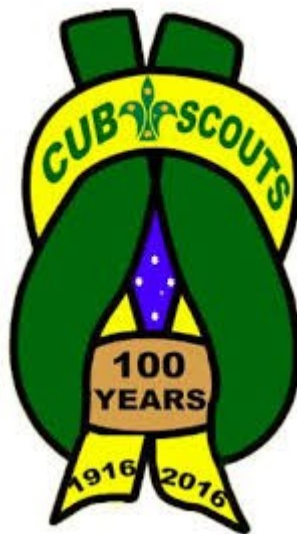

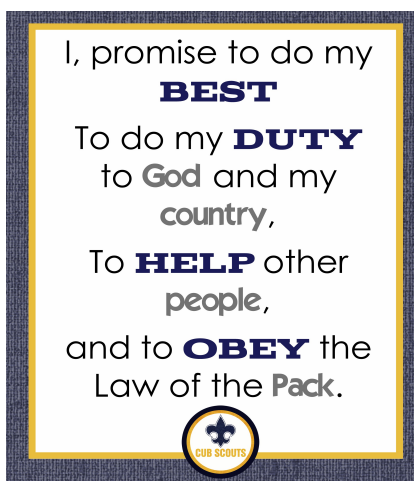

The Cubs then split up into their Sixes with Jenny taking 2 groups to learn compass care and also learning how to follow a compass heading.

Michael took the third to show the Cubs how to read maps, just using a street directory we showed the Cubs about reading the scale and working distance, learning the legends and directions.

To finish up the night the Sixes were given 5 compass headings to follow to go on a treasure hunt, it ranged over the Scout Hall, backyard and frontyard. The reward was chocolates and lollies which they all shared between their Six.

I would like to Thank all of our Leaders, Parent Helpers and the Committee for all their hard work throughout the year. I would also like to thank all the Cub Parents as without you bringing the Cubs to us there would be no Cub Pack.

Thank you to our Cub leaders who do a great job every week entertaining and teaching the Pack.
