

16<sup>th</sup> November 2016

## 1<sup>st</sup> Yass Scouts, Cubs Section

Dear Cub Parents,

A different night tonight with a Pack Council, A presentation and a Linking being held.

We started with a game of My name is Joe lead by Kynan, for a warm up to Cubs tonight. Opening Parade followed with another game run by the Cubs while the Leaders setup the Pack Council.

The Pack Council is an integral part of Cubs and is part of the Cubs learning how to organise themselves and what badges and out of hall activities they would like to do. The Sixers and Seconders with the Leaders run the Pack Council.

Those Cubs that were not part of the Council got to see what it is all about before playing Emergency Chinese Whispers and a Scout History Pop Quiz.

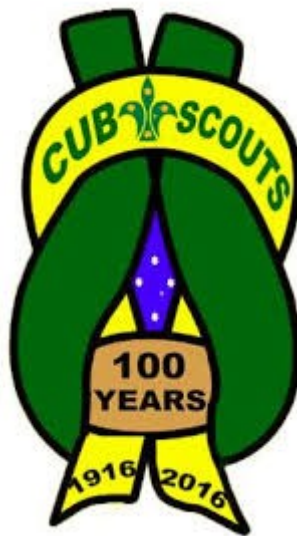

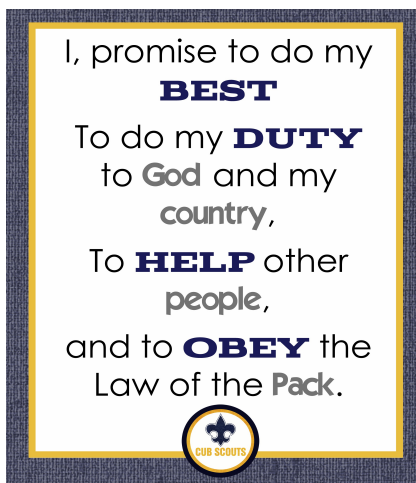

Kynan then presented to the Cubs his trip to America as part of his Traveller badge. The Traveller badge is a good badge to work on with your Cub.

We then had Closing Parade with a Special ceremony called a “Linking “ with Hayden being linked into the Scout Section with the help of 4 Scouts who had built a timber “Chariot” for Hayden to ride on, pulled by the Scouts and Cubs.

Thank you to our Cub leaders who do a great job every week entertaining and teaching the Pack.
