

23<sup>rd</sup> and 30<sup>th</sup> November 2016

## 1<sup>st</sup> Yass Scouts, Cubs Section

Dear Cub Parents,

Double Newsletter to almost finish the year off as we come into the Christmas Holidays.

2 weeks ago we had a Jungle Book theme night with games and craft and a Family Feud style Boomerang quiz.

After Opening Parade we started with a few games of the Jungle Book game to give the Cubs some exercise, each Cub is given a Jungle Book name like Bagheera, Mowgli or Kaa and when the leader calls that name out they run up and back. If Shere Khan is called then everyone has a go.

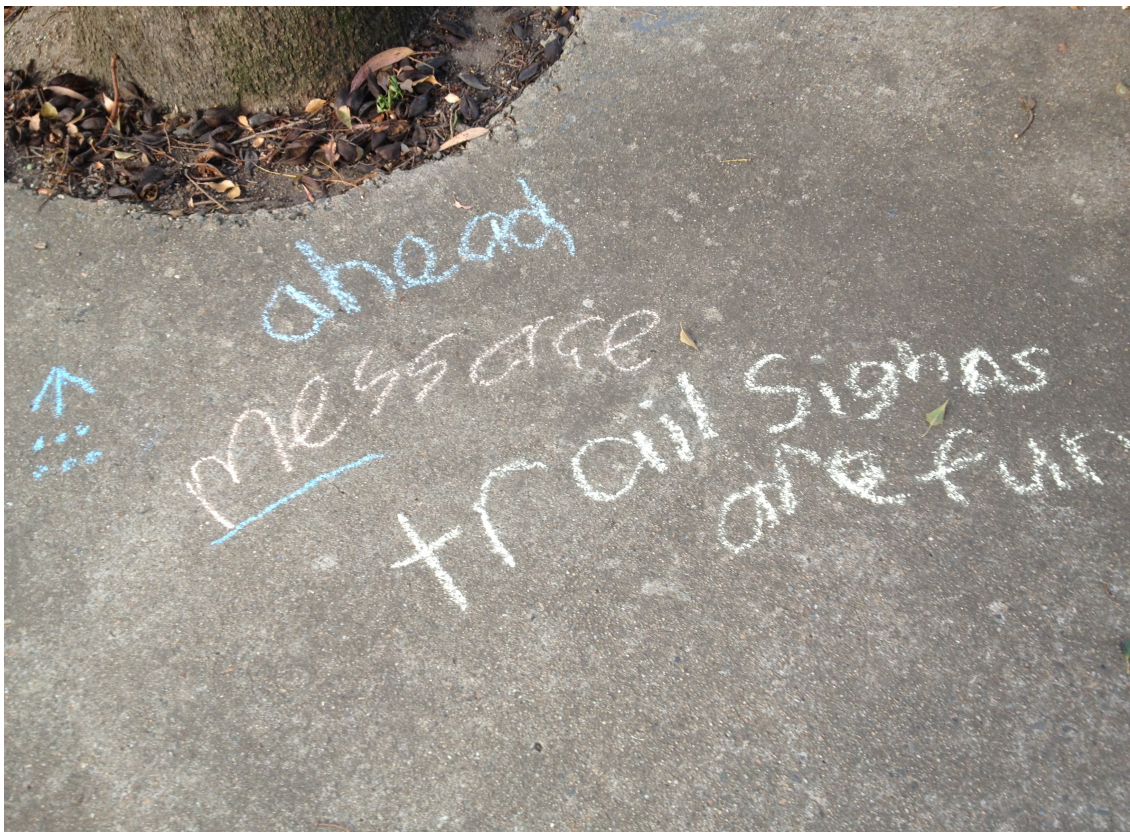

After having a rest and drink the Cubs were divided into their Sixes to make 3 craft animals from the jungle book using toilet rolls, paper and more. This activity was more about how the Sixes worked together as a group than the making of the animals, although we saw some fantastic wolves, panthers and monkeys.

We finished the night with our version of Boomerang Badge Family Feud. Lots of fun and laughs with Red Six winning the game.

Last week was a complete change for the Cubs with Louis and Ethan making a trail signs course from the Scout Hall to Riverbank Park which the other Cubs had to follow with their Leaders.

Following the signs the 3 Sixes went up Browne street down Church Street, behind the Soldiers club and “Atherfield” down and around the Low Level crossing and along the river to the park. It was great to see how the Cubs interact in smaller groups ( their Sixes ) outside and away from the other Cubs.

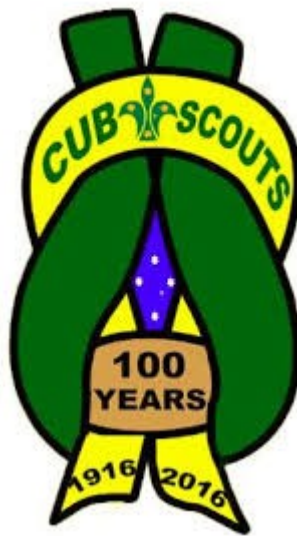

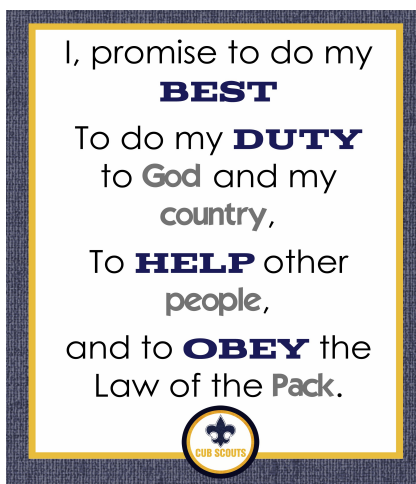

It was a fun course to follow with some tricky signs for the Cubs to understand. Don took the Black Six, Michael had the White Six, Harrison was very good with the Trail Signs. Joel followed up with the Red Six.

The Cubs finished with a play at the park which they really enjoyed and was a good wind down.

Thank you to our Cub leaders who do a great job every week entertaining and teaching the Pack.
